Britschgi Hurls Challenge During Council Meeting

Answering a challenge by Councilman C. A. Britschgi, Mayor W. W. Hilton Monday night openly declared for the first time that he voted against passage of the $98,000 bond issue during the Nov. 7 election.

"When names of those supporting the bond issue appeared in the newspaper, those of Mayor Hilton and Councilman Floyd Granger were absent. I want to know why, and I want that in the record," Britschgi stated in opening the brief but heated discussion.

"I voted against the bond issue because I believe it was my privilege," the mayor replied, explaining that he opposed the bond issue and postwar public works program because he objected to its form.

"Everybody knew I was not in favor of it, but I didn't work against it," he continued.

Mayor Hilton pointed out that he had favored the handling of each of the postwar projects as an individual unit rather than under an overall program as the adopted legislation calls for.

"The entire program was unanimously approved by the council before it was placed before the voters," Britschgi retorted.

Mayor Hilton made no reply.

Granger remained silent during the discussion.

Earlier in the meeting, the councilmen had heard a report from the priorities committee which recommended that the sewage treatment plant and the community center and parks be given precedent in the postwar program.

Because the two projects require the greatest amount of engineering and planning, preliminary work should be instituted at the earliest opportunity, Councilman Harold Anderson, in reporting for the committee of which he is chairman, declared.

Bridges and drainage were listed third and fourth, respectively, in order of importance of work by the committee. Creek and channel projects could be worked in concurrently with the drainage program, it was recommended.

Streets and roads placed next on the recommendations of the three-man committee.

Because other items in the public works program necessitate little engineering or must await other pending postwar projects, such as the Bayshore Freeway, the committee suggested that they be taken up at a later time.

The report was placed on the agenda and councilmen indicated they would study the suggestions prior to further discussion.

Councilmen Britschgi and George McNulty are members of the committee.

Henry C. Hall Resigns Civil Service Post Following Heated County Employe Debate

Members of the San Mateo County Employes Assn. had won a victory Tuesday with the resignation of Henry C. Hall as a member of the County Civil Service Commission.

Hall submitted his resignation to the board of supervisors after the district attorney's office had informed him that membership on both the county probation committee and the civil service commission at the same time was incompatible. The supervisors accepted the resignation this morning.

The employes' association has contended for some time that Hall could not legally serve on the civil service commission and last week counsel for the association asked the supervisors to investigate the membership requirements. The association at first contended that Hall could not serve on the commission because he was a county employe. The district attorney's office then found that his membership on the probation committee and the civil service commission was incompatible. Hall is a member of the staff of County Supt. of Schools Pansy J. Abbott.

Hall was appointed to the civil service commission in September. His resignation leaves two vacancies on the five-man commission. J. Elmer Morrish of Redwood City resigned recently.

Hall has been a member of the probation committee for five years.

The supervisors approved an increase in salary for Frank Skillman, planning architect in the planning department, who was named secretary of the County Planning Commission last Friday "in order that this fulltime staff member may be available at all times to act on behalf of the commission."

The commission at its meeting last Friday also instructed Planning Adviser Ronald Campbell to obtain a fulltime man to work with the board of architects on postwar projects.

England's oldest military corps, the yeomen of the guard, was founded in 1485.

E. H. Sampson, Former R.C. Mayor, Dies

Former Redwood City Mayor Edward H. Sampson, 78, died Monday at his home, 242 Bradford St. Mr. Sampson served on the City Council for eight years prior to World War I and was mayor during the war. For 50 years he was chief engineer for the S. H. Frank and Co. tannery here, retiring in April, 1942, after the death of his wife, Ella May Sampson.

He was one of the oldest members from point of service on the Bank of America Advisory Board. Mr. Sampson, a native of Washington, D. C., came to Redwood City from Kansas with his young bride in 1890. He was a member of the Redwood City Lodge 168 F and A. M.

Surviving are two sons, Eugene H. Sampson, 228 Fulton St., and Leslie E. Sampson, 612 Winslow St., and a granddaughter, Mrs. Doris J. Rankine, who is living with her parents, the Eugene Sampsons, while her husband is in the South Pacific with armed forces.

Funeral services were held Wednesday afternoon at 2 o'clock at the Layng and Tinney Funeral Home under the auspices of the Redwood City Lodge 168, F and A. M.

40-Acre Menlo Site Bought for $45,000

Ross Chamberlain Ltd. has purchased 40 acres of the Maloney estate in Menlo Park for a subdivision for homes, it was disclosed today. Purchase price was $45,000.

The property is on Santa Cruz Ave. near the Stanford Golf Course east of Alameda de las Pulgas. California Pacific Title & Trust Co. was to record the deed today.

Safety Council Asks Care in Yule Driving

Extra precaution to avoid accidents during the holiday season should be taken now, the San Mateo Traffic Safety Commission urged today. Hundreds of homes will be saddened by accidents this Christmas according to the records of the National Safety Council, so unusual care should be taken to assure that no sadness touches local homes.

Name Mrs. Rose Gunn Heir to Large Estate

Mrs. Rose Gunn, widow of Alfred Scott Gunn who died in Hillsborough Nov. 30 after a long illness, nas named principal heir in his estate, according to a petition for probate of will filed in San Mateo County Superior Court.

In a will dated May 5, 1943, and codicil made Nov. 7, 1944, the 67-year-old general manager of Bethlehem Steel Corp., Pacific Coast Shipbuilding Division, bequeathed $10,000 each to his son, Alfred Scott Gunn, Jr. of Massachusetts, and his daughter, Dorothy Esther Johnson of San Francisco.

A trust fund established in the Wells Fargo Bank and Union Trust Co. provides a life income to his widow who resides at 410 West Santa Inez Way, Hillsborough.

Evans Fletcher Wins Insurance Contest

Evans A. Fletcher, Redwood City insurance broker, today had been awarded $150 in war bonds for winning an inter-agency contest staged by Pacific Mutual in Northern California for volume of business written and paid for. The presentation was made Saturday at the home of Col. Kenneth Cassidy in Belvedere. Colonel Cassidy is general agent for Northern California.

$25,300 Damage Suit Filed Here

Driver of an automobile which struck a pedestrian on El Camino Real near Howard Ave., Burlingame, Nov. 24, was named defendant in a $25,300 damage suit in superior court here Wednesday.

Hazel D. Brown, who claimed she suffered a skull fracture, brain concussion, multiple fracture of the right leg, lacerations of the face, paralysis of the right arm, impaired vision and abrasions when she was struck, asked $20,000 from Thomas J. Mullen, driver of the car. Mrs. Brown's husband, S. Earl Brown, asked $53,000 damages.

Melone Gets Chance To Do War Work

Regrets featured the admission of Peninsula playboy Gerald Melone to San Quentin prison Monday where he is to serve time for engineering the fur and jewel burglary of the Dorothie Heller Kok home in Hillsborough on the night of Aug. 15.

"I'm sorry my time will be wasted here in San Quentin when I could be helping the war effort now" was Melone's statement as he stepped through the iron barred entrance and was met by Warden Clinton Duffy.

The warden reminded him that his time would not be wasted behind prison walls, explaining that "we have a lot of war industry going on here. It's tough work but I know you will be able to do it."

Melone said that his wife would be waiting for him on his release and that when his time is up he would again join the U. S. Merchant Marine.

He was handcuffed to Ralph Dugger, one of his two companions convicted with him for the Kok burglary. The other member of the trio, Sipiron Balenzuela, is remaining in the San Mateo County Jail under a five day stay of execution.

Exchange Club Holds Annual Christmas Party

Redwood City Exchange Club held its traditional Christmas party this week at Johny's Cafe. About 25 members attended, each of whom contributed a gift to the club Christmas tree and another to the USO for the service men's Christmas party.

Jane Lee Appears on Radio Program

The new radio show "Breakfast on the Peninsula," which originates from the dining room of the Benjamin Franklin Hotel at San Mateo, will have Miss Jane Lee, veteran radio commentator and home economist, as guest star on Sunday, Dec. 24. The program is heard over KSFO each Sunday morning at 11 o'clock.

"Breakfast on the Peninsula" is the first time a regular program has originated from the Peninsula area.

Montgomery Ward

TO ALL MONTGOMERY WARD PEOPLE

1 The reason given for the strike in Wards four Detroit stores is that Wards has refused to comply with an order of the National War Labor Board. This order seeks to impose upon Wards a closed shop in the form of maintenance of membership together with the check-off of union dues from wages.

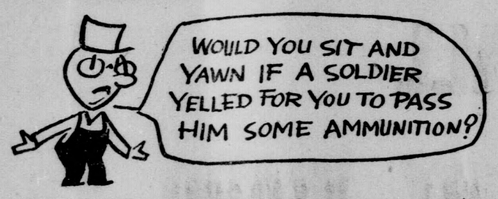
2 The Court of Appeals of the District of Columbia had held that orders of the War Labor Board are merely "advice" which no one has any legal duty to obey. The court held that anyone who refuses to comply with orders of the War Labor Board is not defying a command of the government and that since the orders are merely advisory, no government official has the right to impose punishments on those who do not comply. The Supreme Court has refused to alter this decision.

3 Wards has refused to agree to any form of closed shop, or compulsory union membership. The closed shop, including maintenance of membership, violates the American principles of liberty and freedom. Liberty requires that every employee be free to join, refuse to join, or resign from a union without losing his job. Liberty requires that Wards be free to employ workers, and to continue to employ them, on a basis of merit . . . union members and non-members alike.

4 Each employee at Wards is free to join or not to join a union as he wishes. Wards fully recognizes this privilege and assures all employees that their opportunity with the company will be the same whether they are union members or not.

MONTGOMERY WARD AND CO.
SEWELL AVERY
Chairman

J-M Smokestack
By Jim Asbestos



WELL, HE'S SCREAMING FOR IT NOW

General Eisenhower says progress against Germany will be paced by delivery of arms. That puts the war squarely up to us here at home.

"You tell us what you can deliver and we'll tell you when the war will end," he says.

And he says further that production of arms and equipment is lagging on 40 per cent of the program.

Right now the army is using some supplies earmarked for 1945.

General MacArthur's forces on Leyte are using more ammunition this month than they used in the past 16 months combined.

It is getting to be a whale of a big war, and the cry is for more, more, more supplies . . . and that doesn't mean from the guy in the next county—it means from *me* and *you*.

AND IT COSTS DOUGH

And speed up of fighting and speed up of production means speed up of expenses, and that means that you and I must dig deeper to buy War Bonds to help our boys home sooner and safer.

A MOUNTAIN OF TINY SKELETONS

Asbestos is not the only natural material with which Johns-Manville works wonders. Many J-M products are made of Celite, which J-M digs from a huge deposit of diatomaceous earth near Lompoc, California.

This deposit is composed of the fossilized remains of microscopic sea plants called diatoms—5,000,000 years ago a deposit under the ocean, but, at some unknown date, elevated into hills by a continental rise. A diatom is a plant, but it moves and has a silicia "shell."

These tiny shells of dead diatoms, in mass, have remarkable properties for insulation, for filtration and for use as inert mineral fillers.

Johns-Manville calls the substance Celite, and uses it in making blocks and bricks and powder for insulating up to 3,000 degrees F. And it is also used in filters for processing sugar, beer, wines, dry-cleaning fluids, and many chemicals.

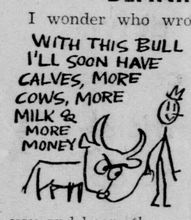
In war, J-M Celite is used in filtering water, penicillin and other medicines.

HOW TO GROW

"Getting excited over one's job," says Robert R. Updegraff, business philosopher, "is the surest way to bump its ceiling, and find one's self drafted for a bigger job."

DEFINING THE "ISM'S"

I wonder who wrote these definitions. They're good.



SOCIALISM: If you have two cows, you give one to your neighbor and keep one for yourself. COMMUNISM: IF you have two cows, you give them to the government and the government gives you some milk. FASCISM: You keep the cows and give the milk to the government, and the government sells you some milk. NAZISM: The government shoots you and keeps the cows. CAPITALISM: You sell one cow and buy a bull.

-Jim Asbestos

COMMUTERS: Many Christmas Activities Held

BY JOE CABOOSE

We write today with honest pride in the Redwood City Commuters' Club. Instead of tossing the usual holiday clambake "for members only," the club this year devoted its time, talents and money to the service of others. The true Christmas spirit!

★ ★ ★

The club sponsored four different affairs during the past week, to wit: (1) Thursday, Dec. 14, the regular monthly dinner meeting at which $121 was given away; (2) Friday, Dec. 15, the Commuters Christmas party to their sponsored Scouts and Cubs; (3) Saturday, Dec. 16, daytime street sale of war bonds; (4) Saturday night, the Commuters party to service men at the USO.

★ ★ ★

Let's comment on them one at a time. The dinner meeting Thursday at the Woman's Club was poorly attended, only 35 showing up when normally there would have been 55. The holidays are to blame. Mr. X, the guest speaker, proved to be Joe McClellan, who demonstrated he can make 'em as well as book 'em. Joe took us around the world in seven different languages. Bert Conroy produced a check for $100 for the club's waste-paper drive, and it was voted 50-50 to the Cubs and Scouts. Hat-passing raised $21 additional for Mrs. Ray Cereghino's pet project—Christmas ditty bags for itinerant service men So much for the monthly dinner meeting.

★ ★ ★

Friday night at McKinley School the Commuters held a Christmas party for Scout Troop 160 and Cub Pack 16. John Layng was Santa Claus and handed out presents to some 200 kiddies and half as many parents. President Perkins made a speech of welcome and Dorothy Roberts and her kiddies staged a beautiful dancing program. Scouts, under Commissioner Wrex Cruse, and Cubs, under Cub Master Walter Shugert, put on a series of skits. Bert Morgan's committee, Paul Allen, Ray Cereghino, Wayne Burke, Jack Welch et al., certainly deserve a lot of credit for the fine party. Bill Curran, always good, outdid himself as emcee. The test of a real emcee is to handle a show with 200 kids.

★ ★ ★

The Commuters sold bonds and stamps on the street Saturday and were ably assisted by the little girls of the Junior AWVS. We haven't heard how many bonds Chmn. Clarence Brizee and his committee sold, but we did learn that June Jurgens, Beth Bigler, Jeanne Celle, Pat Hoffman, Joan Woolclock, Helen Martin, Ann Lancester and Madalyn Sandoval sold a total of 10 bonds and $240 in stamps. Three cheers for these little patriots! Brizee, Lu Reiss, Cereghino, John Clarke, Gene Barrett and all the others who worked so hard Saturday deserve a sincere vote of thanks. The same for the boy singers, Bernie Kaufman and Sammy Zeitman.

★ ★ ★

Closing the week in a blaze of glory and Christmas tinsel was the Commuters party to service men at the USO Saturday night. Mrs. Ed (Helen) Horgan was chairlady in charge, and she was assisted by the following: Mesdames Thos. Cutting, Bert Morgan, John Clarke, W. J. McKeegan, John Brand, Harry Day, Thos. Giannini, Claude Gerdes, Hugh McKenna, William Mallon, Bert Conroy, Guy Farwell, Frank Louda, Jos. Morrow, Roy Fredlund, Geo. Johnson, Jos. Hahir, Bradley Martin, Fred Kubes. Violet Winklebleck, Leroy Hubbard, Gene Hoffman and Miss Bess Cardoza. Mrs. Cutting, permanent USO chairlady, presented Mrs. Horgan the USO "Service Award Pin" in recognition of her fine work in staging the Christmas party.

★ ★ ★

The party was a huge success from every angle. More than 300 service men were entertained, and believe it or not, the ladies had a gift beautifully wrapped, for each and every one. Ke know, 'cause we were there. In fact, we were right in the middle of it. Caboose, who usually manages to talk himself out of doing any real work, suddenly found himself right smack in the role of Santa Claus . . . and without benefit of whiskers or red suit. Our suit had gone to the cleaners and had not come back. This week we go to the cleaners too.

★ ★ ★

We inherited the job third hand because Ed Horgan was ill and T. Walter Cutting had another engagement. Both are born Santa Santa Claus in Wright's 5 & dime difficult, despite the fact that we come from a long line of Santa Clauses. Our Uncle Jim used to play Santa Claus in Wright5s 5 & dime store in Gadsden, and he just loved to hold the little kiddies on his lap, especially the girls, 18 to 25. One day Aunt Lizzie caught him sliding down the wrong chimney. That burnt him up, and ended his Santa Claus career.

★ ★ ★

Seriously, it was quite an experience, playing Santa Claus to 300 soldiers and sailors. It was our first visit to the local USO, and it proved to be an emotional adventure that we won't soon forget. There was a young sailor there who looked 15, but admitted he was 19. Said he had been on Saipan ever since it was captured, thought he was on his way home to West Virginia for Christmas, but just learned he is being sent back out to the Pacific. He wanted no part of the fun or frolic, but insisted on washing wishes. It was our guess that he wanted to be near the ladies in the kitchen, as that represented the homey, motherly atmosphere for which his heart longed. And these good women sensed that . . . and mothered him.

★ ★ ★

It's a wonderful thing what these unselfish women and junior hostesses are doing, but we couldn't help saying, over and over, "the first world war was never like this!" We fellows got our entertainment without benefit of motherly direction and supervision. The USO has done, and is doing, a marvelous job. They are not all women who help down there either. Let's give a hand to Mr. W. Huggins, past commander of the Canadian Legion, who furnished and operated the public address system all evening, to Roy Fredlund, who did the decorating, and to Sergeant-at-Arms Tom Giannini, and many others.

Garbage Dumping Charges Aired

H. E. Wakefield, 335 St. Francis Way, is scheduled to appear before Justice of the Peace Edward I. McAuliffe for arraignment on Dec. 29 at 10 a.m. on a charge of dumping garbage in the Emerald Lake district.

Wakefield was arrested by Officer D. W. Fitzgerald of the Emerald Lake radio patrol on a warrant from the Highlands Dist. Improvement Assn. for violation of section 374-D, State Penal Code, for dumping garbage on Hamilton Way, between Vista Dr. and Lakeview Way.

Wakefield originally was scheduled to appear before Judge McAuliffe Friday but the case was continued to Dec. 29 at his request.

E. Hoffmann Price, president of the Highlands Dist. Improvement Assn., said that the utilities committee of the group has reported that evidence is being gathered to make similar cases against other possible violators.

The association reward of $25 for the arrest and conviction of garbage dumpers in the Emerald Lake area will be paid until this offense is stamped out, or the terasury is out of funds, Price said.

Belmont Passes War Bond Quota

With an oversubscription of $21,561, Belmont residents went over the top in all bond purchases during the Sixth War Loan Drive which ended Saturday, Mrs. Catherine Heartsner, chairman, announced today.

The series "E" bond purchases totaled more than twice the $17,616 quota, Mrs. Heartsner said, with $46,975 sold during the recent drive.

Total sales hit the $71,125 mark at the close of the drive in Belmont, Mrs. Heartsner said.

In addition to the chairman, members of the committee for the drive were Mrs. James Miliken, Miss Alice Morrison, Mrs. Rebecca Manning and Mrs. H. Tinker.

The first act of Parliament authorizing the establishment of public libraries in England was passed in 1850.

$92,000 Legal Fee Approved

An order granting more than $92,000 attorney's fees—one of the largest allowances for attorney's services in San Mateo County's history—was signed Tuesday by Judge Andrew R. Schottky, to be paid from the estate of Louise Tevis Sharon of Menlo Park, who died Dec. 19, 1938, in England.

The fee is for services rendered by Garret W. McEnerney between the time of Mrs. Sharon's death and McEnerney's death Aug. 3, 1942. The fee is to go to Garret McEnerney II, executor of the McEnerney estate.

A total of $25,000 was paid the senior Mr. McEnerney during his lifetime, leaving $57,447.10 to be paid for ordinary services and $10,000 for extraordinary services.

Judge Schottky also signed an order allowing Harry Friedman $15,000 as compensation for extraordinary legal services between July 22, 1939, and June 21, 1943.

Mrs. Sharon was the daughter-in-law of the builder of San Francisco's Palace Hotel. Her late husband was Frederick W. Sharon of San Francisco, part owner of the Palace Hotel and son of the late U. S. Sen. William Sharon, who built the hotel. She died at the home of her daughter, Florence Brickinridge Fermor-Hesketh, the wife of Lord Hesketh.

Mrs. Sharon left specific bequests totaling $1,320,000.

Flames Destroy La Honda Home

A ranch house and furniture near La Honda on the road to Memorial Park belonging to K. B. (Pete) Towne, Redwood City automobile dealer, were completely destroyed by fire Saturday night.

The fire had too much of a head start before it was discovered by Towne and a friend to save either the building or furniture. It started from a defective motor in the refrigerator. Towne and a friend, whose name he did not give, used water from a garden hose in an attempt to halt the blaze but the water pressure was too low.

Towne estimated the loss at $4000.

Lt. Harold M. Nokes Ends Army Course

Marine 2nd Lt. Harold M. Nokes, 34, son of Mr. and Mrs. O. E. Nokes, 310 San Carlos Ave., Redwood City, has been graduated from the line quartermaster course for officers at Camp Lejeune, N.C., and is now qualified to fill an assignment as quartermaster in the marine corps.

ALL STORES CLOSED CHRISTMAS
SAFEWAY
SHOP EARLY

BAKERY GOODS

Orange Layer Cake	Hostess 2 lbs.	33¢
Fruit Cake	Hostess Jane Martin—30 oz.	59¢
Raisin Snails	Package	15¢

How to roast a turkey without a roaster!

IT CAN be done—easily—and without basting, too! But first, remember that in buying a turkey it's wise to figure about ¾ to 1 lb. (drawn weight) per serving.

To truss the bird (thus keeping it in compact and attractive shape while roasting):

Fold wings back so the tips are caught in *back* of the bird, and tie tightly around the whole bird using strong cord—

Then, using another length of cord, tie firmly around the end of each drumstick just above the joint, press them close to the body, and tie them securely to the tailpiece (as shown above)

DOUGH BLANKET ROASTING

is the next step, and it requires neither roaster nor basting:

1. Have bird trussed and ready—
2. Place on shallow pan or metal tray (may go cater-cornered if bird is large)—
3. Have oven good and hot (450° F.)—
4. Mix 4 to 6 cups of flour (depending on size of bird) with *just enough* water to make stiff dough; knead slightly—
5. Roll out to ¼ to ½ inch thickness, large enough to cover bird completely—
6. Let edges hang loose—*don't tuck in* (if it stretches too thin at any point, patch with extra dough)—
7. Put immediately into hot oven—
8. Pour 1 cup water into pan; bake about 15 minutes for dough blanket to set.
9. Reduce oven heat to 325° F. and finish roasting—
10. Do not baste, but be sure to keep about 1 cupful of water in pan at all times—
11. Half an hour before serving time, break the hard dough blanket by tapping with a hammer; remove blanket, being careful not to break the skin.
12. To get desired color, increase heat if necessary and continue cooking uncovered.

Roasting time depends on the size of the bird; the larger the turkey, for example, the fewer minutes per pound needed for tender results. Turkeys weighing from 14 to 25 lbs. require about 4½ hours at 325° F.; from 8 to 13 lbs., about 3½ hours.

Large birds are "done" when tines of fork easily enter the thick part of the drumstick or when, after you've grasped the end bone of the drumstick the joints in the thigh break or move easily.
